FROM THE ART ROOM

Can you guess the featured artists of the month on the school web site? Hint: K, 1, 2.
Be sure to check it out!

If you haven't looked at **artsonia.com** lately you may be missing some great artwork done by your child. I have posted art work for all grade levels in recent weeks. This is an excellent way for family and friends living in other parts of the country to view your student's creativity. Be sure to tell them about the site and how to get to your child's drawings and paintings.
