SAC STUDENTS REMEMBER TO PACK A LUNCH

This is our last Monday Memo for this school year, 2008-2009. We have seen much growth in the children—academic, moral, physical and spiritual growth. It has been a good year. Thank you for your support; we appreciate you and your children. The staff and I would like to wish you a restful summer.

We have a few important events this week and I would like to invite you to come. On Thursday, May 21, at 10:00 a.m. in the gym we are having our Awards Ceremony. Come and support the children receiving awards for hard work done during this school year.

At 7:00 p.m. that evening at the Church we invite you to the Fifth Grade Graduation. It is so nice for them to see their school support them as they enter middle school. Hope to see you there!

Our Lost and Found box is full—please check to see if you have any items that need to be claimed. We will send any items not claimed to the church rummage sale this summer.

ANNUAL SCHOOL FUND

Returns continue to come in from our mailing for this year's School Fund. As of this week we have received 13,426.00. Thank you to all who have contributed.

FROM THE OFFICE

Please stop in at the front office to check on your child's lunch and/or SAC accounts. We would like to have these accounts paid in full by the end of the school year. Thank you.

Lifetouch sent us some extra copies of our yearbook; we still have three available for anyone who may wish to purchase one. Just stop in at the office. The cost of this year's yearbook is \$25.00.

Please remember to turn in all Library materials as soon as possible.

Reminder: Book Fees for next year are due July 1, 2009. If you have not reregistered your child yet, please do so as soon as possible.

Home And School Association News

THANK YOU! THANK YOU! THANK YOU!

The weather could not have been more cooperative on Friday for our Olympic Field Day. The staff and volunteers who came and spent the day with the children helped things run very smoothly. The children were very well behaved and good sports in all the activities, which made for a very successful and fun field day. Special thanks to Mrs. Grammatikas for having the Kingsport Fire Department come over and end our day with lots of water.
