WEDNESDAY, THURSDAY, AND FRIDAY

Friday, December 5, is Church Day for Kindergarten through Fifth Grades.

We will meet at the Church property at 2517 John B. Dennis Highway for normal school hours. If your child will need before or after school care on that day, you will need to provide them transportation or arrange to car pool with someone. All students must be dropped off and picked up from the Church or Parish Life Center on that day. Exact information will be sent home in the Monday Memo on December 1.

A form is being sent home today concerning lunch for Church Day. Please return it promptly.

We will again be collecting rolls of cookie dough for the Kingsport Housing Authority Christmas Party for which our Church also provides Angel Gifts. We would like each FAMILY to contribute a roll of cookie dough during the week of December 1—bringing it to Church Day is fine—so we have it for the Confirmation class to bake that weekend. We appreciate your contribution to this Service Project.

Pre-school students will meet at school for a normal day.
